

L-R-C

Reading and math vocabulary: objective to be the first group to define your vocabulary words correctly.

Groups should be split so there are no more than 5 players per group.

To play: Start by dealing the cards to all players. The shortest member of the group starts by rolling the die. Each player will take turns rolling the die.

Follow these guidelines:

L- pass a card to the left

R- pass a card to the right

C- place a card in the center and define it. Then write your word and definition on the poster. Answers will be checked by the teacher once all 25 words are defined.
